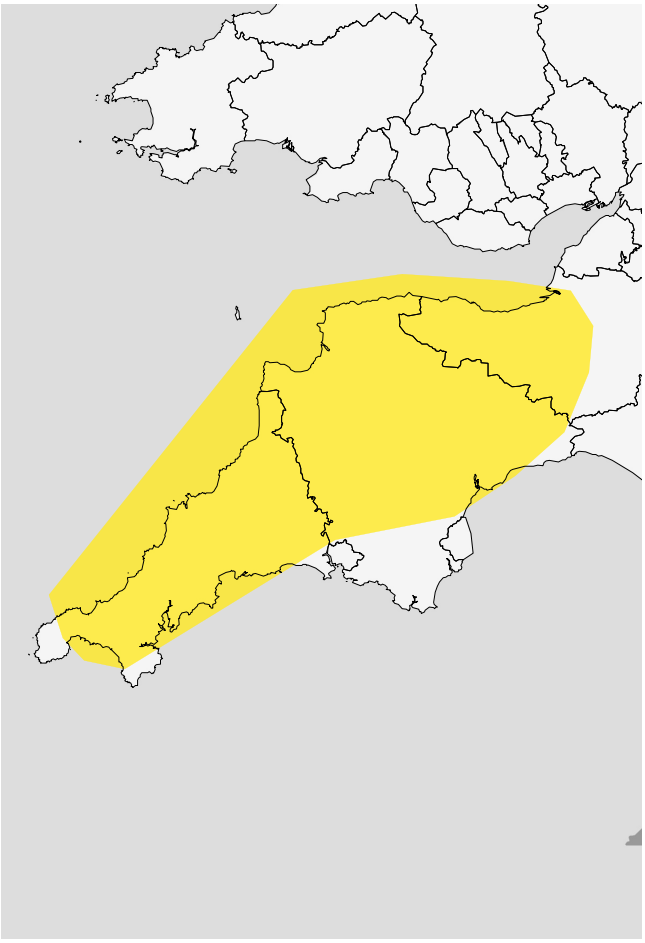
Yellow warning
Thunderstorm

Between
12:00 Tue 20 Jun 2023 and
20:00 Tue 20 Jun 2023



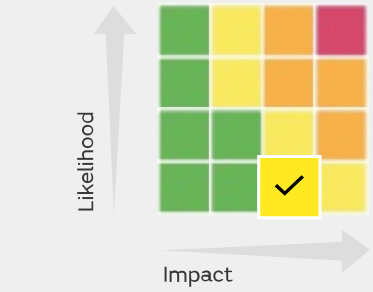
Heavy showers and thunderstorms are expected to develop in a few places.

What to expect

- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds

Further details

While many places will stay dry, a few showers or thunderstorms will develop from around late morning until early evening. It is likely these will develop into bands giving 20-30 mm of rain in around one hour and up to 40-50 mm in 2-3 hours, especially across Cornwall and Devon. Hail and lightning are also likely.



Very low likelihood of medium impacts
